Corporate Sponsorship **Benefits & Expectations**

Connect Silicon Valley (SV) is celebrating its twenty-sixth year! The gathering features speakers with inspiring testimonies of walking with Jesus while working in the global marketplace. The Annual Breakfast is a high-quality, hosted table model making it easy for outreach and connecting with friends and colleagues who may or may not have a relationship with God.

Sponsors are encouraged to use the Connect SV Annual Breakfast platform as an opportunity for both sharing the good news of Jesus as well as promote their organization. It is neither a fundraiser nor is it associated with any specific church or denomination.
